**REQUEST FOR EXTENSION OF TIME TO FILE BRIEF ON APPEAL; OR
REQUEST FOR SUSPENSION**

Applicant hereby requests a six (6) month extension of time in which to file its brief on appeal in this case; or alternatively, a suspension of the Appeal proceeding.

As grounds in support of this request for extension of time or suspension, Applicant's attorney notes that the owner of the Cited Registration has not filed a Section 8 & 9 Renewal, which was due on March 10, 2015. Applicant's requested extension of time or request for suspension will run the course of the Cited Registrant's six (6) month grace period in which to file its renewal for the Cited Registration.

If the owner of the Cited Registration does not file its renewal within the grace period, then the Cited Registration will become abandoned making the 2(d) objection raised against Applicant's application moot.

Accordingly, this six (6) month extension of time is necessary to determine whether the Cited Registration will be renewed or abandoned.

Respectfully submitted,

Date: March 30, 2015
